

Good afternoon all,

I am pleased to share with the group this update from Fanhome on the release of our new Star Trek collection for UK/USA.

Later today we will officially open our website for pre-orders for our highly- anticipated run of die-cast Star Trek starships. We have already announced three new, and never-before-seen, replicas of the hit series Star Trek: Picard and Star Trek: Strange New Worlds earlier this year.

We will debut a new ship each month and we have more than 20 ships currently planned, and I am delighted to be able to share the below list and include the next 3 as well:

- U.S.S. Titan NCC-80102-A from Star Trek: Picard Season 3
- U.S.S. Stargazer NCC-82893 (Sagan class) from Star Trek: Picard Season 2
- U.S.S. Farragut NCC-1647 from Star Trek: Strange New Worlds Season 1
- U.S.S. Enterprise NCC-1701-F from Star Trek: Picard Season 3
- S.S. Eleos XII NAR-59019 from Star Trek: Picard Season 3
- The Shrike from Star Trek: Picard Season 3

We will start to take pre-orders on September 6<sup>th</sup> and the models are expected to depart spacedock from early November.

Below are the links to sign up for this collection once the page is live:

**US:**

Sign up today to ensure you are the first to hear about new releases, exclusive special offers, (including a subscriber's discount), an exclusive variant ship (free in dispatch 20), and other specially commissioned gifts. (can view the free gifts on the pre-order page)

Our collection of Star Trek die-cast replicas will bring to your home:

*Star Trek: Strange New Worlds,*

*Star Trek: Picard,*

*Star Trek: Discovery,*

*Star Trek: Lower Decks*

*and Star Trek: Prodigy.*

If you are an existing collector these die-cast ships have been designed to complement your existing collection by keeping the feel and design like the previous releases.

For more information, please visit our website and if you have any questions, please join our **Official Fanhome Facebook** group at: [Facebook](#)

I look after the group and will be able to reply to any comments/questions or feedback you may have.

LLAP and kind regards,  
BAC
